NICKI & KELLY

Kelly wanted to do her good friend, Nicki a favor, share her man. She talked her into a threeway and he agreed, but only if one of the two would give up her butt to him! He did not care which one it would be. You bet there's going some pretty hot hardcore action going on. Thank you, Mr. Man.

the *Sapphic* *Kiss*

The science of kissing is called philematology.

Men have always enjoyed watching women kiss each other. After all, what man can resist watching two beautiful women with luscious red lips and sweet pink tongues making out. Good chemistry when kissing someone special is usually the first base when it comes to sex.

Kissing each other passionately is the best way of letting each other know that you both have equal attraction for one another. The great thing about kissing is when your bodies begin to bump and grind together. As we all know, once the kissing begins, it's awfully hard to stop.

SAPPHO and LESBOS

Sappho was an early Greek poet born on the island of Lesbos Greece. Our words Sapphic and Lesbian are derived from both her own name and the island. Her poetry seems to suggest that she had secret Lesbian relationships. Beyond her poetry, she has become known as a symbol of love and desire between women. Her poetry portrayed homoerotic feelings, which in the past wasn't as accepted as it is today. She became a teacher and encouraged her students to dream and let their minds roam freely.

ABELLA

I'm in the prime of my sex life. My hormones are working overtime and they make me do things to my ass to satisfy their constant hunger. I have found a way to take advantage of that. Like taking cocks, big cocks in my tight little hole. You'd think that after all that anal abuse, it would loosen up. Gotta love them hormones!

I can't wait to get this photo shoot started. I've been looking forward to this all week. My pussy's wet and my butthole ready and waiting. It's a lovely day, but his cock is going to make it a great day!

I hadn't gotten a haircut in almost two months.

DYNAMITE WITH SCISSORS

My hair was out of control. I had split ends. I had little hairs on my neck. I had wings sticking out over my ears. I looked like I was getting ready to take flight.

I tend to procrastinate with haircuts. Haircuts are a colossal pain in the ass. Haircuts are a hassle—setting up the appointment, driving to the stylist, waiting your turn because the asshole before you was late.

When I get off work I'm ready to go home. I'm ready to take a shower and relax. I'm ready to sip on a stiff gin and tonic, maybe puff a little weed, and stare out the window.

But, like I said, my hair was starting to take over. I was getting disapproving glances from my boss. It was time to take action.

I had been going to this fairly nice place called Snips. It was overpriced but close to my apartment. Plus all the stylists were smoking hot. I figured if I was going to be immobilized in a chair for thirty minutes I should at least enjoy some eye candy.

I set up an appointment with Missy. Missy was the best. Missy had graduated from some swanky hair academy in London. Missy had big tits and pouty lips.

A chipper female answered the phone. "Thank you for calling Snips," she said, "this is Candace; what can I do for you?"

"Could I speak with Missy, please?"

"Missy doesn't work here anymore."

I groaned. "Ah, don't tell me that."

"Missy got a job in Florida. She's been gone about three weeks now."

I sighed and processed this curve ball. "Well, who else would you recommend?"

Candace laughed. "I would recommend me."

"Oh, yeah?"

"Yeah," she said, "not to brag, but I'm the best. At least, that's what all my clients tell me."

Candace certainly wasn't lacking in the self-esteem department.

"Then let's do it," I said.

Candace said she could see me at five on Friday.

"That's tomorrow," I said.

"Is that a problem?"

"No, not at all. I just didn't think I'd be able to get in so soon."

Candace said she had a cancellation.

"That almost never happens," she added, "so consider yourself lucky. You'll be my last client of the day."

She asked for my name.

"Alex," I said.

"Sounds great. I look forward to meeting you, Alex."

"Likewise," I said.

The following day was a typical Friday. I was tired from the week and ready to get the hell out of the office. It was a monumental struggle just to stay awake. I guzzled coffee and half-heartedly perused the Internet. I discreetly slipped out at four-fifteen.

The interstate was gridlocked. I was ten minutes late for my appointment. A gorgeous brunette was sweeping hair off the floor when I got there. We had the place to ourselves.

"Hello," I said.

She looked up and smiled. "Hi," she said. "You must be Alex."

"Candace?"

"That would be me." She set the broom aside and

extended her hand. When the formalities were over we proceeded to the hair washing station.

Candace was supermodel hot. She was tall and wispy with long legs. She was wearing a seersucker sundress and red ballet flats. She wore her long hair in a single braid draped over her delicate shoulder.

I leaned back in the chair as she washed my hair. The water was pleasantly warm. I closed my eyes as she worked rosemary scented shampoo into my locks and massaged my scalp. It was the most wondrous feeling. The week's tension lifted as her magic fingers did their thing.

It wasn't long before she finished rinsing and handed me a towel. Then she led me to her chair.

"Alright, Alex, what are we doing today?"

I stared at our reflections in the mirror. Candace stood behind me, playing with my wet hair.

"Just tidy it up, you know. It's been a while. You should probably charge me double."

Candace stood behind me and placed her hands on my shoulders, kneading and massaging, tweaking the tension into oblivion.

Candace laughed. "That's a good idea. But no, I won't charge you double. Not this time."

Candace went to work and we talked. She liked foreign films. She liked Mexican food. She liked Heavy Metal music.

There was an ease between us. No tension. No strain. The conversation flowed naturally.

I liked Candace. And not just because she was hot. She was a cool chick. She seemed real.

I was sad when she finished. I wanted to stick around and talk some more. I didn't want to go back to my lonely apartment.

"Well, what do you think?" she asked.

Candace handed me a mirror so I could look at the back. I recalled our phone conversation. Candace had a reason to be confident. The girl had mad skills. It was the best haircut I had ever had.

"It looks great," I said. "Really good."

"I'm glad you like it, sweetie."

I got out of the chair and reached for my wallet.

"So, what do I owe you?"

Candace crossed her arms and regarded me with a mischievous smile. She didn't say anything. I stood frozen with my wallet. I waited, but she just stared at me, sizing me up. Then, rather coquettishly, she tapped her lips with her index finger.

"What is it?" I asked.

She laughed and shook her head. "Nothing."

"What?" I pressed.

"You're cute," she said.

She seemed to peer through me with her brown eyes. The silence in the studio was palpable. A heated charge flowed between us. It was almost debilitating

in its intensity. My legs felt weak. My face tingled.

Candace placed her hand on my chest and brushed her face against mine, lightly, sweeping my cheek with hers. I felt her hot breath on my neck and in my ear.

"Sit tight," she whispered. "I'll be right back."

Candace turned away and walked toward the front of the studio. I couldn't believe my luck. It was surreal.

I looked at my hair piled on the floor. I looked at a small framed photo of Candace at the beach with a girlfriend. Candace was wearing sunglasses and a baseball cap and a black bikini, her taut body glistening with oil.

I heard her lock the door. A distinctive KER-KLACK!

The sweetest sound I had ever heard.

I reclined in the chair as Candace approached me. Her brown eyes had acquired a predatory hunger. My fatigue dissipated. I felt recharged. I felt alive.

Candace stood behind me and placed her hands on my shoulders, kneading and massaging, tweaking the tension into oblivion. She kissed my neck and cheek, nibbling, teasing me with her teeth.

Her hand snaked across my chest and down my stomach. My cock twisted with life. Candace turned the chair around. She leaned over and kissed me, sliding her lips across mine before slipping her hot tongue into my mouth. She raised her chin, inviting me to kiss her neck. I suckled her taut pale skin before kissing her delicate collarbones.

She moaned and knelt, all the while pinning me with those ravenous brown eyes. She unbuckled my belt and unzipped me, tugging my pants down. I kicked off my loafers and the pants were shucked. Candace tossed them onto the floor where they covered my freshly cut hair.

She licked my cock, sliding her hot tongue up and down the underside of my shaft, coating my length with

BLAIR-NTS-10

her wet warmth. Then she took it in her mouth, devouring me, sucking my cock as she held the base.

Stroke and suck, stroke and suck, Candace achieved a maddening machinelike rhythm, her mouth and hand working in perfect synchronicity. As she sucked my cock she stared at me, the combination of her brown eyes and expert technique intensified the pleasurable waves coursing through my dick.

I ran my fingers through her hair as her head bobbed in my lap. She pulled away to catch her breath, saliva dribbling down her chin. She breathed heavily, gulping air as if she had just emerged from the depths of the ocean. Then she spat on my swollen

pole and devoured it again.

I began thrusting into her mouth, fucking her face as she sucked me. I couldn't wait to slide my primed cock into her pussy. Candace must've read my mind because she stopped abruptly and took my hand, leading me across the studio to a settee littered with magazines. She pushed the glossies away and sat on the cushioned sofa. She started to remove her flats, but I stopped her.

"Leave them on," I said.

Candace grinned as I pushed her dress up. Her cotton panties were the same red as her flats. I kissed her tight stomach and inner-thighs and inhaled the heady aroma of her pussy. Candace's panties were hot and wet. I slid them off her skinny legs and gripped her ankles, pushing until her thighs pressed against her stomach, spreading her pink pussy lips. I licked her slit, slowly, savoring her pungent cunt as she moaned and whined. I sucked on her clit and darted into the depths of her fuck box, feasting on her flavor, prepping her pussy for my cock.

Candace writhed and massaged my wet scalp with her fingernails, scratching and digging as my saliva

mingled with her juices. "Fuck me, baby," she said, nearly breathless. "I want your cock in my pussy."

I moved to mount her, but Candace stopped me. She rolled over onto her knees and lowered her forearms to the cushion, raising her narrow little ass, perfectly framing her pussy for doggy action.

I guided my cock into her pussy. Candace was tight and wet and hot; her cunt muscles enclosed my pole as I pumped and humped. My stomach slapped her ass as I fucked her, Candace meeting my thrusts with her own, the two of us locked in a mindless carnal dance.

As I fucked her, Candace's dress slid all the way down to her shoulders. I stared at her pale freckled back, her bony spine and shoulder blades. But that wasn't all. Stamped on the small of her back, right above her ass, Candace's tattoo—three letters—TNT. Candace looked fragile, but she was anything but.

She bucked harder and harder, faster and faster. Candace fucked me like she wanted to grind me into the cushion.

Candace was a fuck bomb. Candace was dynamite.

I pulled out and sat on the settee. With her back to me, Candace climbed onto my lap, and lowered her hot heat onto my dick. She impaled herself, and it wasn't long before she started riding me like a cock-crazy cowgirl. She slammed her pussy down with frenetic bucking motions, grinding my dick as I pumped.

I held her bony hips as she bounced in my lap, her tight pussy clenched around my cock, sliding up and down my shaft with mind-numbing speed. She was out of control now. She bucked harder and harder, faster and faster. Candace fucked me like she wanted to grind me into the cushion.

"Yeah, baby! Oh, yeah! Fuck me real hard!"

I had reached the point of no return. Candace sensed this and climbed off. She gobbled my juice-slathered cock and I exploded into her mouth, coating her tonsils with jet after jet of spunk, my cum oozing from her mouth as she continued to lick me clean, shellacking my cock as it pulsed its final spasms.

Exhausted, I stretched out and stared at the ceiling. A pair of ceiling fans whirled lazily. I longed for a post-fuck joint. The studio smelled of sex. Candace went into the back. It wasn't long before another scent merged with the sex aroma. The unmistakable pungency of pot. Good pot. Homegrown stuff. When Candace returned she was puffing on a fat jay.

"You read my mind," I said.

"I blew your mind," she countered.

We got blazed. Then we fucked again. We ended up fucking all fucking weekend. My boss's disapproving glances are a thing of the past. I get a lot of haircuts now.

I told the photographer that I had just broken up with my boyfriend. He said I could do solo photos, but I said I wanted a handsome and well hung man to shoot with. And I want to fuck on camera, too. I did it and I loved the experience. Then I did another shoot and loved that, too. By now I was comfortable with sex on camera and I agreed to do more. Damn, was that the hottest stuff EVER!

NATALI

There were a couple people at the place I worked that found out I had done some sexy photos. I don't know how they did, but they did. Suddenly I was the focus of an awful lot of attention from many of the guys in the office. I tried to tell them off, but they just kept coming. A few of the girls in the office started hitting on me, and the guys didn't stop. I agreed to go out with J.J. and I'm glad I did. Not only was he an attentive lover, but I actually let him finger and fuck my ass. That was one really hot first date.

Now ready I'm to try someone else!
